

Q1 2025 Executive Strategy Report (PDF)

Executive Summary: Q1 2025 showed strong growth in Sci-Fi and Fantasy.

Trend Analysis: 'Stellar Run' is trending recently due to a viral TikTok campaign that resonated with younger viewers.

Comedy performance has been weak due to market saturation and a lack of breakout original scripts.

Recommendations: Reallocate 20% of Comedy marketing budget to Sci-Fi/Fantasy; fast-track the Stellar Run sequel; explore interactive content for Asia-Pacific.
